Jahresbericht 2005

«Witze und Cartoons sind Teil eines jeden Mainstream-Magazins – vor allem in Magazinen wie dem New Yorker oder Playboy. Sie nehmen prominenten Platz ein, befinden sich beim Editorial und den Werbe-Anzeigen, dem Inhaltsverzeichnis oder den Leserbriefen. Sie sind Teil des Layouts und Teil der ‹Lesenswürdigkeiten› und Gags. Manchmal sind sie politisch, manchmal machen sie sich nur über das Alltagsleben lustig. Und immer wieder mal treiben sie Leute auf die Strasse, um zu protestieren, Botschaften zu stürmen und Leute zu töten.» Richard Prince

Richard Prince (geboren 1949) gehört seit den 1980er-Jahren zu den einfluss-reichsten künstlerischen Stimmen Amerikas und der internationalen Kunstwelt. Er arbeitet mit Bildmodellen und -material aus dem öffentlichen Informationsfluss, aus der Werbung, aus Magazinen und Büchern. So zum Beispiel in seinen wieder-kehrenden Verwendungen des Cowboy-Bildes aus der Marlboro-Werbung oder seinen Joke-Paintings, in denen er die immer wieder gleichen abgegriffenen Witze für immer wieder neue Bilder verwendet. Prince greift gesellschaftliche Klischees und den unseren Vorstellungen und Handlungen zugrunde liegenden kulturellen Mainstream auf. Er reflektiert diese Vorgaben mit seinen künstlerischen «Wieder-holungen» in Malerei, Fotografie und Objekten und führt sie uns so entblössend vor Augen. Beatrix Ruf, Kuratorin

RICHARD PRINCE - JOKES

Fireman pulling drunk out of a burning bed: You darned fool, that'll teach you to smoke in bed.
Drunk: I wasn't smoking in bed, it was on fire when I laid down.

A traveling salesman stopped by a farmhouse and asked for a night's lodging.
"We're all filled up," said the farmer, "but you can sleep with the little redheaded schoolteacher."
"That's all right," said the traveling salesman, "I'm a perfect gentleman."
"Fine," said the farmer, "so is the little redheaded schoolteacher."

"Are you drinking again? Doesn't your health mean anything to you?"
"Yes, it means something to drink to."

I met my first girl, her name was Sally.
Was that a girl, was that a girl. That's what people kept asking.

Two friends ran into each other at the door of a psychiatrist's office.
"Are you coming or going?" asked one.
The other replied, "If I knew, I wouldn't be here."

Did you here about the fellow who stopped a woman on Broadway and told her, "You're the first white woman I've seen in six months."
"Where've you been," she inquired, "darkest Africa?"
"Nope, selling silk in Florida."

I never had a penny to my name, so I changed my name.

"I eat politics and sleep politics, but I never drink politics."

I went to see a psychiatrist. He said, "Tell me everything." I did, and now he's doing my act."

I've been married for thirty-four years and I'm still in love with the same woman. If my wife ever finds out, she'll kill me.

Jewish man talking to his friends: "If I live, I'll see you Tuesday. If I don't I'll see you Wednesday."

"My mother and father keep fighting. They rant and they rave and they shout."
"Who is your father?" somebody asked.
"that's what they're fighting about."

Here's my life story. I came from a very poor family. They couldn't afford to have children, so our neighbor had me.

I met my first girl, her name was Sally. Was that a girl, was that a girl.
That's what people kept asking.

My father was never home, he was always away drinking booze. He saw a sign saying DRINK CANADA DRY. So he went up there.

The way he looks in the morning! He ran after the garbage man and said, "Am I too late for the garbage?"
He said, "No, jump in."

A traveling salesman's car broke down one evening on a lonely road and he asked at the only farmhouse in sight, "Can you put me up for the night?"
"I reckon I can," said the farmer, "But you'll have to share a room with my young son."
"How do you like that," gasped the salesman, "I'm in the wrong joke."

Two guys sitting at a bar: "If I have another drink," the first said, "I'll begin to feel it."
The second confided: "If I have another drink, I won't care who feels it."

A little old lady walked up to a cop and said,
"I was attacked."
The cop said, "When?"
She said, "Twenty years ago."
The cop said "What are you telling me now for?"
She said, "I don't know, once in a while I like to talk about it."

Man walking out of a house of questionable repute, muttered to himself,
"Man that's what I call a business.. You got it, you sell it, and you still got it."

My neighbor's wife cried to me: "It was driving me crazy," she said, "I don't know where he spent his evenings. One night I went home, and there he was."

A pink elephant, a green kangaroo and two yellow snakes strolled up to the bar.
"You're here a little early, boys." said the bartender. "He ain't here yet."

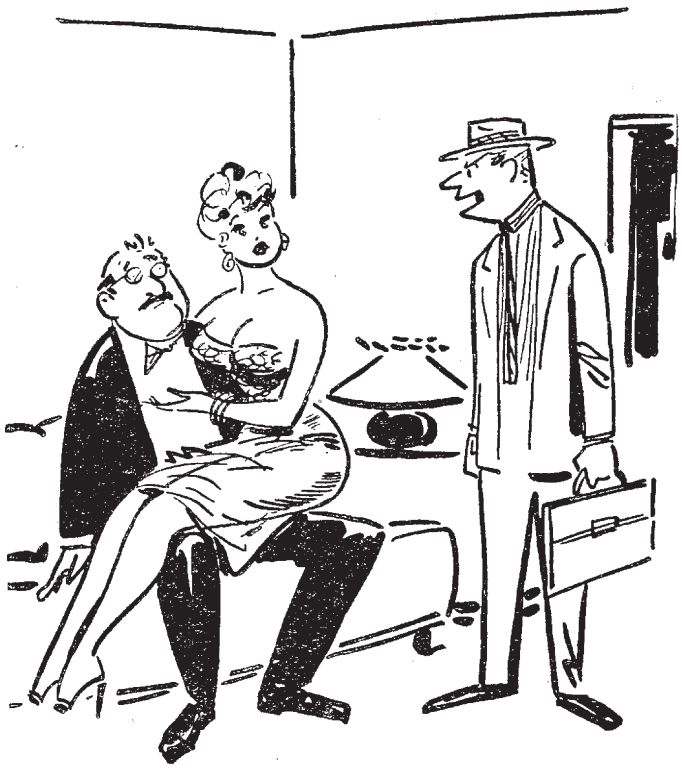
I'm always kidding about my wife says the bartender. "Every time I introduce her to anybody they say. "Are you kidding?"

The old man stood at the gates of the cemetery and wept. A passer-by stopped to comfort him.
"Why are you crying?" the latter asked softly.
"My daughter is laying in there," explained the weeping one. "Sometimes I wish she was dead."

A housewife selected three small tomatoes and was told by the grocer they were 75 cents.
"What!" she exclaimed, "75 cents for those small tomatoes? Well, you can just take them!"
"I can't lady," replied the unhappy grocer, "there's a 95 cent cucumber there."

A couple is driving to Miami Beach in a brand new car. As they're driving he puts his hand on her knee. She says "We're married now, you can go a little farther"
So he went to Ft. Lauderdale.

PSYCHIATRIST



Two women are complaining about their boyfriends. One says to the other, "Oh God, here comes a delivery man with a bunch of roses. Christ, now I'll have to spend the entire weekend flat on my back with my legs spread in the air." The other woman says, "Why don't you just put them in a vase?"

Man walking out of a house of questionable repute, muttered to himself, "Man, that's what I call a business... you got it, you sell it, and you still got it."

Male Patient to Lady Psychiatrist: "I had a dream about you last nite." "Did you?" asked the Lady Doc. "No you wouldn't let me."

A guy goes into the doctor's office and says, "Hey doc I got five penisis." The doc says "How do your pants fit?" The guy says, "Like a glove."

George enterd a bar and ordered a whishky sour and told the bartender to fix the other guy at the bar a drink, too.
Finishing his first, he called to the bartender, "Fix me another of the same but leave the fruit out of it."
"Hey man!" shrieked the other guy, "I didn't ask for a drink in the first place!"

Later, as he sat on his balcony eating the dog...

Oh I rode into Dallas,
Feeling kinda low,
Thought I'd pick me up some change,
At the Ro-dee-o...

It is known that men and woman coming out jof an epileptic convulsion were inclined to be calmer and more peaceful for a time. So... if they were going to knock someone on the head to induce a seisure, they needed to use something more accurated than a hammer; they finally settled on electricity.

Finding money is not a ~~crive~~. crime.

The mother took her incorrigible son to the psychiatrist. "Does he seem to feel insecure?" asked the doctor, "No, the mother replied, "but everyone else in the neighborhood does."

Think of it as a turbo-charged TV.

I"m alright I guess.

Ever since they got married, the wife has had a padlocked chest by the foot of their bed. Despite his pleading from time to time, she never revealed the contents to him. Finally, on their silver wedding anniversary, the wife agreed to let him see the contents. He watched steadfastly as she unlocked the chest and opened the lid. Inside were two ears of corn and twenty five thousand dollars. He looked at the chest and looked at his wife. His wife said, "its like this. Every time I cheated on you, I put an ear of corn in." He was surprised to learn that she had been unfaithful. But twice in twenty-five years wasn't that bad, so he smiled and asked, "what about the money?" "Well, every time I reached a bushel, I sold it."

Marriage is grand.
Divorce is about ten grand.

How do you stop a Jewish girl from fucking?
You marry her.

What did Jesus say to the Mexicans?
Don't do anything until I get back.

I'm writing a new book that's going to have a field all to itself.
It's going to be for people who want to be unpopular, unsuccessful, and fat.

How can you tell your wife is dead?
The sex is the same but the dishes start to pile up.

She was so fat that when I had sex with her I had to ask for directions.
No No, that's not right - when I got to the top of her, my ears popped.

A father was explaining ethics to his son who was about to go into business: "Supposing a woman comes in and orders $100 worth of materials. You wrap it up And give it to her. She pays you with a $100 bill. As she goes out the door you realize she has given you two $100 bills. Here's where the ethics come in, should you or shouldn't you tell your partner?"

Hers my life story. I came from a very poor family,
They couldn't afford to have children, so our neighbor had me.

IN A NEW YORK GARMENT DISTRICT A LITTLE OLD JEWISH MAN WAS HIT BY A CAR. WHILE WAITING FOR AN AMBULANCE, THE POLICEMAN TUCKED A BLANKET UNDER THE GUY'S CHIN AND ASKED "ARE YOU COMFORTABLE?" THE MAN SAID, "I MAKE A NICE LIVING!"

My mother was 88 years old. She never used glasses. Drank right out of the bottle.

As was common, they got into a nasty quarrel at breakfast. "You're not good in bed, either!" yelled the husband as he stormed out to work. Around lunch time, he had cooled off and decided to apologize, so he called home. After many rings, his wife answered. "What took you so long?" he yelled as his temperate began to rise again.
"I was in bed."
"What were you doing in bed?"
"Getting a second opinion."

Ever since they got married, the wife has had a padlocked chest by the foot of their bed. Despite his pleadings from time to time, she never revealed the contents to him. Both of my marriages have been disappointing. My first wife left me and my second one didn't.

The husband bought his frigid wife a big tube of K-Y jelly and told her, "This will make you happy." It did.
She put it on the bedroom doorknob after he went out.

Old guy sitting on a bus when a punk rocker gets on. The rocker's hair is green and red, he's got feather earrings and an eye patch and sees the old guy staring at him. A man was on safari with his native guide when they came upon a beautiful blond bathing naked in the stream. "My god, who's that?" the man asked.
"Daughter of missionary, Bwana," came the reply.
"I haven't seen a white woman in so long," the man sighed,
"That I'd give anything to eat her." So the guide raised his rifle to his shoulder and shot her.

RICHARD PRINCE – JOKES

I said to my mother- in- law, "My house is your house".
Last week she sold it.

While playing golf today, I hit two good balls.
I stepped on a rake.

I just heard from Bill Bailey. He's not coming home.

I was a pretty good fighter. I won my first few fights, then I ran into trouble.
They made me fight a man.

My best punch was a rabbit punch,
But they wouldn't let me fight a rabbit.

What a fight. When the bell rang, I came out of my corner and threw six straight
Punches in a row. Then the other guy came out of his corner.

My wife is always asking for money.
$200 one day, $150 the next, $125 after that.
"That's crazy" my friend said, "what does she do with it all?"
"I don't know" I said, "I never gave her any".

I says, "what time can you make it?"

Every time I meet a girl who can cook like my
Mother…she looks like my father.

My wife went to the beauty shop and got a mud pack.
For two days she looked beautiful.
Then the mud fell off.
